NOISE REDUCTION

HAMMER NOISE REDUCTION (EXPLODED VIEW)

RIC NOISE REDUCTION

BSP is committed to the environment and part of its ongoing design and improvement programme we are now proud to offer noise reducing measures. These will be available for new and existing hammers and compactors in the BSP product range.

- Robust mounting frame
- Easy removable panels for maintenance
- No reduction in performance
- Can be fitted to existing range of hammers
- Can be tailored for sheet or tube piles
- Light weight rugged panels
